Pool Reservation System:

In an effort to provide access to as many members as possible while also limiting the maximum occupancy to 54 individuals at any given time due to social distancing requirements imposed by the state and health authorities, **pool reservations are restricted to specific timeslots**. This will ensure that all members have the opportunity to enjoy the amenity.

- **The reservation timeslots are 90 minutes long:**
 - **11:00am – 12:30pm**
 - **1:00pm – 2:30pm**
 - **3:00pm – 4:30pm**
 - **5:00pm – 6:30pm.**

For everyone's safety, each pool timeslot allows a limited occupancy. At the end of the timeslot, you will be asked to leave the facility, so the team can prepare the pool area for the next guests in a safe and thorough manner.

Please read these instructions prior to making a pool reservation

- **Call (530) 214-8235 to make a reservation.** Pool reservations are required.
- Requests for reservations are taken only between the hours of **11AM – 6:30PM daily**.
- Reservations can be made **up to 2 days in advance**.
- You can have **only one reservation in the system at any given time**. When checked in for the current reservation, another reservation can be requested and will be accommodated as availability allows.
- **All reservations will start and end at their scheduled time** to ensure staff maintains rigorous cleaning and disinfecting procedures.
- **At time of booking, you will be informed of a grace period for your arrival to use your reservation.** If you do not check-in for your reservation within the allotted time, your reservation will be cancelled and your slot will be given to the next patron waiting to use the facility.

Thank you for your cooperation. We are looking forward to welcoming you!
